TO HIS EXCELLENCY GEORGE WILLIAM FREDERICK EARL OF CARLISLE,
LORD LIEUTENANT-GENERAL
AND GENERAL GOVERNOR OF IRELAND, &c. &c. &c.

WE, the Ecclesiastical Commissioners for Ireland, whose hands and corporate seal are herewith annexed, beg leave, in pursuance of the provisions of the Act 3 & 4 Will. 4, c. 37, to submit to your Excellency the Report of the proceedings of the Commissioners for the year which ended the 1st of August instant, and to subjoin an account of their receipts and disbursements, distinguishing the specific sources from which all moneys have been derived, and the specific purposes to which they have been applied; also, an account of their receipts and disbursements in relation to Primate Boulter's and Primate Robinson's Funds.

The grant made in a former year for rebuilding the Church of the Parish of Drumcliffe, in the Town of Ennis, in the Diocese of Killaloe, has been rescinded to the extent of 1,544*l.* 17*s.* 8*d.*, it having been found, upon further inquiry, that the enlargement of the present Church would be more acceptable to the majority of the parishioners, and less expensive, and the subscription of 100*l.* which was lodged with the Commissioners for the erection of a new Church, has, therefore,

therefore, at the request of the incumbent, been returned, the subscribers being unwilling that it should be expended on the enlargement of the present Church.

The grants, amounting to 1,055*l.*, made in former years for the enlargement of the following Churches, have likewise been rescinded, the parishioners not having provided the required assistance :—

Clara	-	-	-	-	-	in the Diocese of Meath.

Clontarf	-	-	-	-	-	in the Diocese of Dublin.

Under the provisions of the 36th section of the "Amendment Act," which empowers the Board to contribute to the repairs of the Cathedral Church of the Holy Trinity, Down, though non-parochial, the Commissioners (having ascertained that the only fund heretofore applicable to the repairs of the building, viz., 300*l.* per annum, late Irish currency, was inadequate for the purpose, having regard to existing charges upon it, viz., the support of three vicars choral, one of whom, at least, must be in holy orders, and six choristers) certified to your Excellency and the Privy Council, under the provision of the Act 6 & 7 Will. 4, c. 99, s. 36, that it was just and reasonable that they should defray the entire expense of keeping the Cathedral in repair, and having received the approval of your Excellency and the Privy Council of the matters specified in their certificate, they have granted a sum of 111*l.* 13*s.* for the repairs of the building now necessary.

The following Churches, the building or rebuilding of which was provided for in former years, have been completed :—

Cahirnarry	-	-	-	-	-	in the Diocese of Limerick.
Kilgarvan	-	-	-	-	-	in the Diocese of Ardferit.

The subscriptions, from private sources, received within the year in aid of the several Church Works for which the Board has made grants, have amounted to 12,795 *l.* 5 *s.* 1 *d.*, in addition to which a sum of 502 *l.* 7 *s.* 1 *d.* has been lodged with the Commissioners for the completion of the Chapel of Ease of Drumminiskill, in the Parish of Killesher, in the Diocese of Kilmore, upon which building it is stated that a sum of 800 *l.* had been previously expended by the parishioners.

The Chapel of Ease of Market Hill, in the Parish of Mullabrack, built exclusively by means of private funds, has been taken under the charge of the Board.

The destruction by fire of the Church of St. Andrew's, in the City of Dublin, as mentioned in their last Annual Report, having particularly called the attention of the Commissioners to the importance of encouraging the insurance, by the parishioners, of such buildings against fire, in aid of the fund reserved annually by the Board for providing against such contingencies, they deemed it right to present a Memorial to the Lords Commissioners of Her Majesty's Treasury, praying for a remission of the duty on fire policies effected on places of worship, in Ireland, of all denominations, but they regret to state that they have been informed by their Lordships that they did not deem it expedient to attempt any alteration of the law upon the subject.

Under the provisions contained in the 30th section of the "Amendment Act," the Commissioners have consented to advance, by way of loan, at the rate of 4 per cent., out of the monies arising from the sales of Perpetuities, sums amounting, in the aggregate, to 8,639 *l.* 18 *s.* 4 *d.*, for building and improving Glebe Houses, in the following cases:—

For the Deanery of Kilmere.

For the Archdeaconry of Emly.

For the Benefice of Killaloe, in the Diocese of Meath.

"	Ballymacelligot, in the Diocese of Ardferit.
"	Kildarton, in the Diocese of Armagh.
"	Castleblakeney, in the Diocese of Elphin.
"	Ballinlondry, in the Diocese of Emly.
"	Tamlaghtfinlagan, in the Diocese of Derry.
"	Cloon, in the Diocese of Ardagh.
"	Tamlaght O'Crilly, in the Diocese of Derry.
"	Annadown, in the Diocese of Tuam.
"	Inch, in the Diocese of Cloyne.
"	Timahoe, in the Diocese of Leighlin.
"	Aghnameadle, in the Diocese of Killaloe.

The repayment of the sums so lent has been secured by mortgage of the emoluments of the respective Benefices, and will be made by annual instalments of one-thirtieth part of the principal, together with the yearly interest on same, or

on

on so much thereof as shall from time to time remain unpaid, pursuant to the provisions of the 14 & 15 Vict. c. 73; the total amount actually advanced by the Commissioners up to the present time is 2,495*l.* 6*s.* 11*d.*

Under the provisions of the 32d section of the "Amendment Act," the Commissioners have allocated an annual sum of 300*l.* from that part of their income which arises from disappropriated tithes to the augmentation of Benefices, the incomes of which were under 100*l.* They have also been enabled, partly owing to the withdrawal of the augmentations enjoyed by certain incumbents in consequence of their Benefices having been increased from other sources, and partly in consequence of a small improvement having taken place in Primate Boulter's Fund, to allocate a farther annual sum of 244*l.* 18*s.* to the like purposes; these sums have been allocated amongst the following Benefices:—

Mr. Godfrey Fetherston having, towards the close of the last year, resigned his appointment as Solicitor of the Board, the Commissioners thereupon appointed Mr. John Ball to be his successor, and, having regard to the provision of the 5th section of the "Amendment Act," they have allocated to him, with the approval of your Excellency, a salary of 400*l.* per annum, in addition to such disbursements as shall be properly incurred by him, and sanctioned by the Lords Commissioners of Her Majesty's Treasury, together with the sum of 100*l.* per annum for office expenses, which latter allowance is to be raised to 300*l.* per annum on the retirement of a clerk heretofore and still employed by the Commissioners in the legal department of the Board, to whom the Commissioners at present pay a salary of 200*l.* per annum. By this arrangement a saving of 500*l.* per annum has been effected in the expenditure of the Board under the head of the Solicitor's department.

Under the 31st section of the "Amendment Act," the Commissioners have relinquished the further collection of the instalments payable on foot of the loans made by the late Board of First Fruits, for building Glebe-houses in the Parish of Ballymaglasson, in the Diocese of Meath, and of Knockhride, in the Diocese of Kilmore, the incumbents not being in either case in possession of the houses for the building of which these loans were advanced.

On the recommendation of the Board, the Lords Commissioners of Her Majesty's Treasury have, under the provision of the 6th section of the same Act, granted a superannuation allowance of 67 *l.* 10*s.* per annum to one of their principal clerks, who, after a service of 27 years, had become permanently disabled by age and infirmity from the further discharge of his duties; and with the sanction of your Excellency, under the provision of the Church Temporalities Act, they have approved of a graduated scale of increase to the salaries of certain of their clerks, according to length of service.

The treaty for the sale of the Advowson of Roeborough, in the Diocese of Ossory, belonging to the Corporation of Waterford, for a sum of 920 *l.*, which was assented to by the Board (as stated in a former report), not having been carried out, the Commissioners were again called on to consent, pursuant to the provisions of the statute 3 & 4 Vict. c. 108, to the sale of this Advowson to Mr. James Bessonett, for the increased sum of 1,050 *l.*; and being satisfied that due exertion had been made by the Corporation to procure the best price in their power, the Commissioners signified their consent to the sale on these terms, and executed the deed of conveyance in the manner prescribed by the 147th section of said Act.

By the half-yearly returns of promotions, it appears that 112 Benefices have become vacant within the year, consisting of 13 dignities, 12 prebends, 1 canonry, and 86 parochial benefices; of these 42 appear to be subject to ecclesiastical tax. The appointment to the Benefice of Tankardstown, in the Diocese of Limerick, has been suspended by the Commissioners, being a Benefice in which it appeared by the certificate of the Commissary of a former Bishop, that Divine Service had not been celebrated within the three years ending the 1st of February 1833. With reference to the vacancy which took place in the Deanery of Ardfer, without cure of souls, the Commissioners, upon being apprised of same, appointed a day for considering the propriety of recommending the suspension of the appointment to it, and informed your Excellency accordingly. This intention they, however, had not the opportunity of carrying into effect, having learned that your Excellency had previously filled up the vacancy. In the case of the Archdeaconry of Aghadoe, which also became vacant during the year, although not having cure of souls within the meaning of the statutes, the Commissioners, having regard to the provision in the Church Temporalities Act in respect to Archdeaconries, did not deem it expedient to make any recommendation to your Excellency and the Privy Council. The Chancellorship of the Cathedral Church of St. Carthage, Lismore, without cure of souls, having become vacant, the Commissioners recommended to your Excellency and the Privy Council that the appointment to it should be suspended; but they have been apprised that, upon the recommendation of the Bishop of Cashel, an Order in Council was made on the 13th of February last, disappropriating from the Chancellorship the rectorial rectcharge of the Parish of Derrygrath, which constituted the corps of this dignity, and annexing it to the Vicarage of that parish.

Thirty-nine applications for the purchase of Perpetuities have been received. The sum realised from this source within the year has amounted to 2,158*l.* 16*s.* 3*d.*, and from the liquidation of mortgages granted for Perpetuity purchases effected in former years, a sum of 1,942*l.* 2*s.* 9*d.* has been received.

The following sums have been invested in Government Securities; viz., 932*l.* to the credit of the Perpetuity Purchase Fund; 972*l.* 15*s.* 8*d.* to the credit of Primate Boulter's Fund; 2,298*l.* 10*s.* 3*d.* to the credit of the "Insurance Fund;" and, temporarily, 9,048*l.* 1*s.* 9*d.* out of the General Fund, pending the execution of the works for which the Board has made grants.

The

The annual account of the Fund arising under Bishop Gore's will, from the impropriate tithes of Cahir Parish, in the Diocese of Lismore, has been furnished by the Commissioners to the Bishop of Cashel, Waterford, and Lismore, pursuant to the direction of the Court of Chancery.

All which is submitted to your Excellency's consideration.
